“ My mother and I have such great memories with our time spent with Donna. We frequently got together for coffee during the time we all lived in the same building, and spent many times together at one of our favorite hang-outs in Bellevue, The Dari Villa. Donna was a loving, compassionate friend who had a passion for cats, in particular her dear feline friend Nicky. Even during her illness, Donna was concerned more for others than herself, asking how others were doing (including my cat!) from her hospital bed. I thank God He placed Donna in my mother's and my life, and we will miss our dear friend deeply.

Our prayers are with her cousins and her friends during this time.
