“ Dear Pam, It has been a year and i still cannot believe you are not walking this earth with me. I miss you so much, and i talk to you every day just like i will for the rest of my life until my feet are also no longer walking this earth. By then we will have met again.

Until then my heart aches for you.

Every time i see a turkey vulture it takes me back to when we went to the pool at Hopewell to get Andy a tee shirt because there were a bunch of them standing around at the pool with their wings open and we could not believe the size of them.

Every time i play a Star Trek movie for Lucas i can still hear you hitting that highest note in the music like you did when we watched it with you.

i could go on and on.

I love you Pam and thank you for being my oldest sister.

Love your loving sister Kathy.

“ Dear Dick, Mary Lou, Wendy, Kathy, Missy and Pam's husband & family,  
I am so saddened to hear of the death of Pam & that she suffered with cancer. I remember her as a very pretty young lady who was always so nice when I had contact with her when living on First St. in Birdsboro. Sometimes it is hard to understand why people are taken from us but I guess God wanted her more. Hold onto your memories, and let them guide you through this difficult time.  
May Peace be with all of you,  
Patti Pyle and her sons, Kevin & Jimmy

“ Pam, I always felt as though we've known each other for a very long time. We instantly had this magical connection since meeting each other. For the last four years you have been my closest and dearest friend. I will treasure my memories of you. You were absolutely an Angel from above. I love you and will always cherish you're loving spirit and love of life. When you became sick with the C word, you never surrendered your passion nor your love of people. Everyone here ( Jamestown Condominiums) loved your spirit! My deepest condolences to Pam's family. I was fortunate enough to meet to meet Missy. My prayers are with you all. May you heal from your sorrow in knowing that Pam was deeply loved by many. May Pam's memories forever be in our hearts. God Bless you all, Pam's friend Terri Estright

“ Dear Pam, You are my hero. I will never forget how you fought your courageous battle with such grace. You would never have known how sick you were. I will never forget how you made everyone laugh with your great sense of humor especially little Lukey as you called him. I will never forget as kids i would always sneak over and crawl into bed with you and sometimes Wendy was already there and i would try to squeeze in between you.  
I will think of you every day for the rest of my life.  
And never forget that singing voice of yours.  
We will always be the four musketeers.  
Rest now my dear sister.

Your loving sister, Kathy
