

Regis John "R.Jay" Miller, III

October 9, 1972 - March 4, 2016

Regis "R. Jay" John Miller III, Of Ambridge, formerly of Bellevue, on the evening of March 4, 2016, R. Jay was called to come home to the place of eternal peace. He was surrounded by his brother Charlie and family. He was born Oct 9, 1972 at Bellevue Suburban General Hospital. He was raised in a large fun loving family. Full of laughter and great sense of humor, R.Jay's adventure began. As a child R.Jay enjoyed skateboarding the streets of Bellevue with his friends Kenny and Joe. He would chase the bus after grandpap all the way down the block and run back to meet his Grandma Betts on the porch. He loved and enjoyed yearly summer family vacations to OCMD. He wrestled in Jr. High and throughout high school. That was when he let us know that he had an "8 pack". As a teen, he worked summers at his dad's business. He attended CCAC and later chose a carpentry career, graduating from the carpenters union at the top of his class. He worked at PJ Dick and Precision Builders before opening his own business. This is where he began the name "Super Reg". He bought a Harley Davidson Bike that he so enjoyed to just ride. Family and friends were very important to him. But nothing came before his beautiful precious baby girl Sara Elizabeth. R.Jay was a prince and a fighter, we all know his talk of pain and beauty in the world filled many people with the incredible joy he felt. Long live the fiery energy, the one of a kind smile, the gentle touch of his bear paw hand. He is survived by his loving daughter Sara Elizabeth Miller and her mother Lara Lampenfield; beloved son of Gayle Downey and Regis "Jay" (Gina) Miller, Jr.; brother of Charles (Dana) Miller and Roberta Miller; grandson of Joseph (Sherry) Schilling, Sarah Tokash and the late Elizabeth "Betts" Schilling, Chuck and Dot Downey , Regis and Betty Miller and Dick Battaglia; also survived by many aunts , uncles and cousins of the Miller, Downey and Schilling families and by the Bob and Peg Lampenfield family. Friends will be received 2-8 pm Tuesday at the Lawrence T. Miller Funeral Home, Inc. 460 Lincoln Avenue, Bellevue where funeral service will begin at 7 pm. In lieu of flowers, donations may be made to an education fund for Sara Elizabeth Miller c/o Citizens Bank.

“ Gina, I send you my deepest sympathy at this time on the loss of your son. May our Lord extend His comfort and healing embrace to you and your family. I'd like to share a quote I once saw that has helped me in times of loss. It is by an unknown author. It goes, "Weep not for me passerby, for I have begun to live and you have yet to die." Our faith tells us we one day will all be reunited, hold on to that thought and at this time, may Mary, our Lord's mother, wrap you in Her mantle of protection and love.

“ My deepest sympathies to the family. RJay was a great friend to me. We became friends at CCAC in the early 90s and he was such a great guy. He really looked out for me and was an amazing person. We kept in touch for a while as we got older but eventually lost touch. I will never forget his smiling smile and his kind soul. He also had one of the best laughs I have ever heard. RIP my dear friend.. love you always! Nena Uhler

“ I am so saddened by this. R.J. was always full of life and just had the most beautiful smiles. The kind that made his eyes twinkle in a way that made you forget your own worries of the day. He would meet you, open his life to you in endless chatter, and never stop smiling. He made rough times for myself, seem ok to have and I am so grateful for his time on this earth and for having the true blessing of his presence in my life. You are missed, but never will be forgotten. I will continue to light a fire when I see fit, more so because of YOU.

“ Many of my favorite memories from youth include R. Jay.... Bowling with he and Chuck at Pines Plaza every Saturday morning..... Dancing away the night at numerous live shows. I lost touch with him when I moved west but always hoped that we would reconnect. I remember R Jay as such a wonderful soul.... Kind and generous.... Hilarious! Always smiling Please accept my sincere condolences.

“ Dear Gina, Jay, and family,

I had not seen or heard from R. Jay since we stopped bowling together years ago as teenagers at Pines Plaza. I often wondered how he was doing. I'm so sorry to hear about this. My thoughts and prayers are with you and your family.
