“ Sending my deepest sympathy to the family of Tom Atkins. First got to know Tommie when we played softball together in North Park in the 1980s. Tom was always cordial and helpful when I would stop by for assistance with a record check or the need for photographs to be used in our investigation when he was assigned to the Identification/Records Section of the Pittsburgh Police Department. Often saw Tommie directing traffic prior to or after Pirate baseball games and always remembered to say hello to each other. Saddened to hear of his passing. Rest in peace Tommie as you served the City of Pittsburgh well during your many years of dedicated service.

“ Lt. Atkins was my supervisor in the record room for 10 years. When we learned of his passing, we all shared our funny stories about him. There were many. He was well liked and always took the time to talk to us and help us when a problem would arise. My daughter was pregnant with twins the same time his daughter was expecting the triplets and he would always stop by my desk and ask how my daughter was doing and we would share our stories and pictures of our grandkids. He will be missed.

Prayers to all of you during this difficult time.
